Starfone.net just introduced Stardial.

A FASTER AND EASIER WAY TO CONNECT!

Free Stardial numbers new and existing customers.

With Stardial You Can:

- * One touch access to all your international calls
- * No Pins • No Delays • No Surcharges
- * Call from any registered number in the U.S & Canada
- * Configure up to 100 Stardials
- * Build your international favorites list on your online account

Stardial is particularly useful for phone users who dial international numbers on a regular basis. This new technology offers a solution to the slow-down of dialing an access number, entering your pin and the long phone number to your destination.

You can even store your Stardial numbers in your home or cell phone. The speed dial numbers are usually accessed by pressing a pre-determined key or keys on your phone. This is the quickest way to get connected to your party overseas at the best available rates.

Call your favorites in Lebanon, Egypt, Sudan, Iran, Syria, Morocco, Jordan, UAE, Saudi, Tunisia and Iraq at the best available rates with one touch Stardial.

Starfone.net, is already known as one of the nation's leading providers of the most affordable calling rates for individuals and institutional customers for Arabic speakers and Middle Eastern countries. Starfone.net owns the complex back-end infrastructure, allowing them to provide the best routes to most Middle East destinations.

Starfone offers a range of Domestic and International calling services. Select the service that best suits your needs at the best low rates!
